JOKAKE CONSTRUCTION'S SCHERER AND JOHNSON RECEIVE
LEED ACCREDITATION

(PHOENIX, AZ). – JUNE 23, 2009 – Jokake Construction is pleased to announce that Rob Scherer, Senior Project Manager, and Mark Johnson, Project Engineer, recently received LEED Accredited Professional status from the US Green Building Council. This brings the total number of LEED Accredited Jokake employee-owners to eleven.

Jokake Construction, an Employee-Owned company, is a full-service relationship-based general contracting and construction management firm specializing in projects for the public, corporate, financial, healthcare, and institutional markets.
